Percent satisfied with learning environment	100.0%	89.8%	94.8%
Percent satisfied with social and physical environment	97.4%	87.9%	96.1%
Percent satisfied with school-home relations	100.0%	90.7%	88.3%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Clemson Elementary School is a student-centered, high-achieving school serving approximately 735 students from K4 through grade five. We moved to our new campus in the fall of 2001. Our building is a beautiful, state-of-the-art facility designed to promote maximum student learning in a safe, caring environment. The school grounds include athletic fields, playgrounds, theme gardens, a nature trail, a barn, and outdoor classrooms. Our school has an award-winning and highly-capable staff dedicated to helping all students grow and succeed. Our school has constant support from our parents and community. The PTA and School Improvement Council are instrumental in our planning and improvement process.

Sustained, high student achievement remains a trademark of our school. Our standardized test scores traditionally rank among the highest in South Carolina. We are one of only two schools in the state to win the Incentive Award for exemplary scholastic achievement each of the 14 years the award was offered. This is our seventh consecutive year meeting our Annual Yearly Progress goals. We are proud to have earned an "Excellent" in both Absolute and Improvement ratings on our most recent Report Card.

These rankings resulted in us being one of only thirty-one schools across the state earning a prestigious Palmetto Gold Award each of the seven years the state offered the award. Clemson Elementary is a Red Carpet School for being family friendly. We were a finalist for the Carolina First Palmetto's Finest Award three times over the past six years. We continue to stress academic achievement through the use of Write from the Beginning, MAP testing and Classworks, America Reads, Olympics of the Mind, Reading Recovery, Math Super Stars, Cruisers Safety Program, and other on-going instructional efforts.

Implementing two multi-age classes is an innovation linking instruction with student learning styles and presenting parents with alternatives.

We believe service learning and service to our community are important aspects of our school. Through our service learning club, students learn good citizenship and compassion for others. Among our student and staff efforts are gathering canned goods for a local food bank, collecting toys for Country Santa, Jump Rope for Heart, Special Olympics, Buck-a-Book, and Relay for Life.

We believe learning is a commitment extending beyond normal school hours and days. To this end, we offer students many opportunities to extend their learning. Jump Rope team, chorus, Chess Club, and the Mileage Team meet either before or after school. Over 250 students are served daily in our after-school-care programs. PTA sponsors an international festival, a fall carnival, an ice cream social, and family dinner nights. Teachers extend classroom learning with events such as Something Special, field trips, musical productions, guest speakers, volunteer tutoring, and Special Olympics. Our partnership with the City of Clemson makes our facilities available after hours and during the summer to benefit our community's children on a year-round basis.

The future challenges us to maintain our high academic standards, yet still meet the demands of serving a diverse student population. We continue reaching out to fulfill community needs and welcoming help from others to meet our students' needs. We seek to create a culture of excellence in teaching and learning while striving to embody our motto, "Clemson Elementary, where every day
